The inter-club competition is an entry of 6 projected images and 6 prints with no more than 2 from any one member in each category. The Silver Salver is an individual print competition. Any member can submit one print. There is an individual PDI competition and any member can submit one image.

**Northern Counties Photographic Federation (NCPF) Print & Projected Image Inter-Club Championship** – Deadline February. This is a competition where we choose a pool of images from which we select the entries. If we are one of the top 2 clubs we are invited to represent the NCPF in the national challenges held at Warwick in July (PDI) & Ormskirk in October (prints). Members are very welcome to attend any of these events & help with the choice of entries.

**Annual Battle with Northallerton Camera Club** – Deadline early February - this is an inter-club competition where prints and projected images are sent away to an independent judge. We try to use the work of as many members as possible in this competition.
