Stokesley PS Bingo Challenge

This will be a non-competitive project for members to produce 15 images from a list of randomly chosen topics over a period of 9 months. The work will be presented to members in April 2027

Below is the table of the 50 subjects we use for what we call our "Bingo Challenge". Each member who wants to take part is given a bingo card at the beginning of the season with 15 random numbers which relate to the table of subjects shown below. We ask them to take **one image** for each subject they have been given.

The deadline for all work to be submitted is **4th March 2027**. All the images will then be collected together to provide a slide show for the meeting 25th March 2027. The images will be grouped by subject and displayed with the member's name and subject.

Even if you don't complete the full set please submit whatever you have! We put this together on a non-competitive basis and there are normally 2 to 5 different interpretations of each subject which makes it quite interesting. The intention is to give members a little project to do over the next 9 months and also to take a few out of their normal comfort zone. Digital Images in the standard format should be uploaded to the website as normal. The entry form will be open throughout the season, and you may change your submissions at any point up to the closing date. Alternatively, you could take the images on your phone and email them simon@sandlallen.co.uk, or WhatApp me on 07730 351125 (but remember to say which topic the image refers to).

BINGO CHALLENGE 2026/27

1	ACTION	26	INTERIORS
2	AROUND THE HOUSE	27	TEXTURE
3	NUMBERS	28	TOOLS
